February 5, 2016

The Honorable Deb Peters
The Honorable Larry Tidemann
Joint Committee on Appropriations
500 East Capitol Avenue
Pierre SD 57501

Dear Senator Peters and Senator Tidemann:

We have put together the additional information the Committee requested during our hearing on January 28, 2016.

1. **Senator Van Gerpen** requested a breakdown of the turnover at MDSP between correctional officers and other staff.

DOC RESPONSE:

During FY 15 the turnover rate for MDSP was:

	Overall Turnover Percentage	Correctional Officer Turnover Percentage
MDSP	17.2%	22.9%

2. **Senator Tidemann** requested the number of inmates that obtain their GED.

DOC RESPONSE:

During FY15 there were 145 completions, 21 females and 124 males. As of December 30, 2015 there were 286 inmates attending GED classes.

3. **Senator Parsley** requested the percentage of inmates that come into the prison without a GED or high school diploma.

DOC RESPONSE:

Based on new commitments and probation admissions in FY15, the percentage of inmates coming to the prison without a GED or high school diploma is 29%.

4. **Senator Tidemann** requested data for the IMT program.

DOC RESPONSE: The IMT FY 15 report is on DOC's web page at the link below.

<http://doc.sd.gov/adult/facilities/wp/meth.aspx>

5. **Senator Tidemann** requested the total cost going back to the county for jailing parolees.

DOC RESPONSE: In FY15 there were 5,564 jail days that resulted in a cost of \$365,660. In FY16 we are estimating the use of 6,009 jail days and in FY17 we are estimating the use of 6,409 jail days.

6. **Senator White** requested a breakout that shows the recidivism rates of those who have completed the GED program in the institution compared to those who have not completed the GED program in the institution.

DOC RESPONSE: We are in the process of conducting our annual recidivism update and will include GED completion as a factor. We will pass this on to the Joint Appropriations Committee when it is complete.

7. **Representative Hunhoff** requested a breakout that shows how many juveniles are at each location of the juvenile division (STAR, Sequel, etc.).

DOC RESPONSE:
Please find Attachment 1 which is the Juvenile Division population at each location as of December 31, 2015.

If you need additional information or clarification, please let me know.

Sincerely,

Dennis Kaemingk
Cabinet Secretary
